

Posh Frocks & Wellies

Job Reference	PFW
Site Address	
Stand Number	

Health and Safety on Site

As a responsible employer we take very seriously our obligations under the Health & Safety at Work act, that is why we are working to the standards of the 'MUTAmarq' accreditation scheme.

Under the act you our staff must work in a safe environment whilst they are on site. To help you with this you should complete and return this form as required by our acceptance conditions.

Underground Services

It is essential that you check if there are any services such as water, drains, electricity or gas less than a minimum of 1 metre below the surface of the area where our staff(s) will be working.

Please indicate the status of the site below.

<input type="checkbox"/>	No : there are no underground services less than 1m below the surface
<input type="checkbox"/>	Yes : there are underground services are present

If you indicated "Yes" then you must advise us of their location by surface marking, prior to starting work. If you are unsure of any locations, please contact your service provider for assistance.

Other Potential Site Hazards

Please list any other potential site hazards below

Staff Welfare

As a minimum we are obliged to provide toilet and hand washing facilities on or nearby the site. Please confirm availability:

YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
-----	--------------------------	----	--------------------------

(If NO we may have to provide these facilities at additional cost)

Client Confirmation

I have completed this form to the best of my knowledge and will comply with its requirements for notification of potential site hazards to Posh Frocks and Wellies
